Index to Volume XXV

This is an author-and-subject index to articles in the four issues of volume XXV of *Baptist History and Heritage.*

In author entries a writer's name is followed by a chronological listing of the titles of each article and/or editorial prepared by that person. The reference data after each title contains five elements: volume number, issue number, page number, month of publication, and year of publication. To illustrate, 25.2.31; 4/90 refers to volume 25, number 2, page 31 (April, 1990, issue). Page numbers refer only to the initial pages of articles.

In subject entries, including names of persons treated as subjects, a subject is followed by a chronological listing of references to that subject. Titles are not included.
